AgStar Boron

PLEASE READ LABEL AND SAFETY DATA SHEET COMPLETELY BEFORE USE

Skin irritation Cat 2,
 Eye irritation Cat2,
 Reproductive toxicity Cat 2,
 Specific target organ toxicity-single exposure Cat 3

FIRST AID: Prolonged or repeated exposure to boron may cause significant health issues.

IF SWALLOWED: Get immediate medical advice/attention. Rinse mouth.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing.

IF ON SKIN: Wash with plenty of soap and water.

IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

If eye or skin irritation persists, or if concerned or unwell: Get medical attention/advice.

24-hour Emergency Telephone Number - For advice contact the National Poisons Centre – 0800 POISON (0800 764 766) – or a doctor, immediately.

For specialist advice in an emergency only, call CHEMCALL (24hrs) 0800 243 622. In a transport emergency dial 111.

SAFETY DATA SHEET: A safety data sheet is available from AgStar or www.agstar.co.nz

HANDLING ADVICE: Wear gloves and face protection. Do not breathe dust, fume, gas, mist, vapours or spray. Do not eat, drink or smoke while using this product. Wash hands, face and exposed skin thoroughly after handling. Take off contaminated clothing and wash before reuse. Use only outdoors or in a well ventilated area. Avoid release to the environment.

STORAGE AND TRANSPORT: Store locked up in a cool place. Do not carry more than 5L on a passenger service vehicle.

DISPOSAL: Dispose of product by using as directed on this label or at an approved landfill. Triple rinse empty container into the spray tank, and deliver to an Agrecovery collection depot.

CONDITIONS OF SALE: As no control can be exercised over the manner in which or the conditions under which this product is used, all conditions and warranties expressed or implied, other than those required by statute are excluded. No responsibility will be accepted for any damage or injury whatsoever arising from the storage, handling, application or use of this product.

Approved Pursuant to the HSNO Act 1996, under the Fertilisers – Subsidiary Hazard group standard HSR002571. See www.epa.govt.nz for approval conditions.

DIRECTIONS FOR USE:

AgStar Boron may be applied with most herbicides, insecticides, fungicides or nutrient sprays. It is compatible with most chemicals, but for unknown or doubtful chemicals a test mix should be made up. Generally, AgStar Boron should be added before most chemicals, except where a product data sheet specifies otherwise (e.g. cupric hydroxide). Always apply diluted or mixed chemicals immediately, do not store. Apply in low light conditions in the morning or the evening or on cloudy days. Do not apply during periods of high sunlight, during rain or prior to expected rain.
