READ LABEL BEFORE MIXING AND APPLYING

HAZARD CLASSIFICATIONS

Skin irritation Category 2, Designed for biocidal action.

TOXICITY

WARNING May cause serious eye irritation.

ECOTOXICITY Do not apply directly into or onto water.

HANDLING PRECAUTIONS Avoid contact with eyes and skin. Avoid inhalation of spray mist. Do not eat, drink or smoke while using this product.

PERSONAL PROTECTION When mixing and applying spray, wear eye protection, cotton overalls, suitable gloves and footwear. Avoid skin contact and inhalation of spray mist. Remove protective clothing and wash hands and exposed skin thoroughly with soap and water before meals and after work. Clean contaminated clothing and equipment before re-use.

APPLICATION Apply with well calibrated spray equipment. Do not allow spray drift outside the target area to occur.

STORAGE Keep out of reach of children. Store in the original container, tightly closed and away from foodstuffs and animal feeds.

SPILLAGE Prevent further spillage and contain spill to prevent product from entering waterways. Wear protective clothing and sweep up spill and place in sealed container for disposal. Avoid dust formation. Wash affected area with water and detergent. Absorb with inert material and place contaminated materials in disposal container. Dispose of waste in an approved landfill.

DISPOSAL Avoid contamination of water supply with product or empty container.
Product disposal: Use according to label instructions or dispose of to an approved landfill.
Container disposal: If unable to dispose of through an agrichemical recycling facility, crush and bury empty container in an approved landfill.

FIRST AID

If swallowed DO NOT induce vomiting. Rinse mouth. For advice, contact the National Poisons Centre on 0800 POISONS (0800 764 766) or a doctor immediately.
If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. Do NOT scrub skin.
If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing.
If eye irritation persists seek medical advice.
If inhaled, remove to fresh air and keep at rest in a position comfortable for breathing.

SAFETY DATA SHEET Additional information is provided in the safety data sheet available from the supplier, www.agstar.co.nz.

In a transport emergency call 111, Police or Fire Brigade

RESISTANCE MANAGEMENT

GROUP **M2** FUNGICIDE

Supershot 800 Fungicide contains sulphur, an inorganic fungicide. Resistance to this fungicide could develop from excessive use. To minimise this risk, use strictly in accordance with label instructions. Consult <http://res.nzpps.org/index.php> for alternate modes of action and details of resistance management strategies (if any) for crops listed on this label.

CONDITIONS OF SALE

READ THESE CONDITIONS OF SUPPLY BEFORE BUYING AND USING. IF THESE CONDITIONS ARE UNACCEPTABLE, RETURN AT ONCE UNOPENED.
This formulation is warranted to contain the specified active ingredient within accepted analytical tolerance when packed. The user bears the risk for damage resulting from factors beyond the manufacturer or registrants control. The manufacturer and registrant decline all liability for damage resulting from improper storage or use of the product.
