READ LABEL BEFORE USE

Hazard Statements

Harmful to aquatic life with long-lasting effects.

WARNINGS:

NON-SELECTIVE HERBICIDE. Beware - Apply this product carefully. Spray drift may cause serious damage to other desirable plants.

Do NOT apply when rain is expected within 6 hours of application.

Do NOT apply on or around food and animal feed crops. Avoid contamination of any water source with product or empty container.

HOW IT WORKS: Weedinator RTU is a broad spectrum, non-selective, non-residual, foliar absorbed and translocated herbicide for control of emerged weeds only. It is deactivated immediately upon contact with the soil and will not provide residual weed control. Plants should have sufficient leaf area for uptake, be actively growing, free of stress with clean foliage at time of spraying.

The effects of **Weedinator RTU** may not be apparent for 3-7 days depending on weather conditions, weed species and the herbicide rate used. Some perennial weeds may not show effects for 14-21 days.

DIRECTIONS FOR USE:

Shake the container well before use. For use as spot application or edge treatment.

Apply as a directed fine spray pattern to wet the foliage but not to point of run-off.

In mown areas allow sufficient re-growth before spraying. Can be used around the base of established trees and shrubs as a directed or shielded spray. Avoid contact with any part of the shrub or tree since severe injury or destruction may result.

PERSONAL PROTECTION:

Wash hands after use.

FIRST AID: For advice call a doctor or contact the National Poisons Centre (0800 764 766), if medical advice is needed, have product label or container at hand.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to

do. Continue rinsing. If eye irritation persists, get medical advice.

IF ON SKIN: Remove contaminated clothing. Wash skin and hair with plenty of soap and water. If skin irritation occurs; get medical advice/attention. Wash contaminated clothing before reuse.

SAFETY DATA SHEET: Available from www.agstar.co.nz.

STORAGE: Keep out of reach of children. Store in tightly closed original container, in a cool, dry and away from foodstuffs.

DISPOSAL: Dispose of product by using as per label instructions or at an approved landfill. Dispose of the empty rinsed container in the rubbish collection. Do not reuse the container for any other purpose.

SPILLAGE: Absorb spill with soil/sand and transfer to a labelled sealable container for disposal at an approved landfill.

HSNO Approval HSR000765. See www.epa.govt.nz for approval controls.
